

INSTRUMENT LYRES

CLARINET

You will need the appropriate lyre for your instrument to hold your music folio. A music folio is a smaller, more compact way to hold your music when you're performing for football games, pep-rallies, or any other outdoor events. FLUTES, OBOES, BASSOONS, PERCUSSIONISTS, AND F HORNS DO NOT need to purchase their own. We will provide those. Please have yours (if you need one) by the first day of summer band.
